THE PROGRAM

We are looking for motivated graduates who are keen to learn about our business, build valuable organisational knowledge, and develop their careers through our **2027 Graduate Program**.

Over twelve months, you'll gain practical hands on experience working with our dealerships and support offices located in New Zealand and Australia.

The program is designed to set you up for success, giving you a broad range of skills and knowledge across service, sales, parts, product, and logistics.

IF YOU HAVE THE FOLLOWING SKILLS AND EXPERIENCE WE WOULD LIKE TO HEAR FROM YOU:

- ✔ Hold a Bachelor Degree with an agricultural focus.
- ✔ Are tech savvy, resilient and have a good sense of humour.
- ✔ Have a can-do attitude, a collaborative spirit and an appetite to learn.
- ✔ Are highly motivated and an independent worker.
- ✔ Have excellent communication skills.
- ✔ Hold a full drivers license.
- ✔ Have the right to work in Australia and New Zealand.

PROGRAM BENEFITS

- A job that will challenge you, give you great experience and let you explore what you really enjoy.
- Opportunity to travel to a range of locations in New Zealand and Australia, while you work.
- A structured 12-month program that is tailored to you.
- Opportunity for ongoing employment and advancement when your fixed term contract ends.
- A competitive remuneration package.
- Mentoring and development during the program.
